

# CLOTHES PIN

# SHARK

**CAPE COD MARITIME MUSEUM**

**135 SOUTH STREET HYANNIS MA 02601**

**(508) 775-1723**

**[CAPECODMARITIMEMUSEUM.ORG](http://CAPECODMARITIMEMUSEUM.ORG)**

**Sharks come in all shapes and sizes. Some can be flat and wide like hammerhead sharks, while others are long and slender like sand sharks. They also come in different colors! Blue, white, gray, brown and some might have spots or stripes!**

**HAMMERHEAD**

**SAND SHARK**

**One thing that sharks are known for are their sharp teeth, and multiple rows of teeth! Throughout their lives they loose and replace these teeth, growing thousands of them in their lifetime.**

**Sharks are excellent swimmers. Great white sharks can swim as fast 35 miles per hour! That's pretty fast!**

**As well as being fast swimmers, sharks have amazing senses and can smell things in the ocean water from miles away. Sharks also have super hearing that allows them to hear splashing in the water.**

**Just like humans, sharks eat many different things! They eat fish, seals, squid and sometime even garbage. But unlike humans, they do not sleep the same way that we do. They sleep by slowing down and closing one eye at a time!**

# ACTIVITY!

Now its your turn to build your own little sharky friend!

## Materials:

- Clothes pin(s)
- Construction paper (grey, white, blue but you could use any color!)
- Strong glue (such as Elmer's)
- Markers
- Googly eyes (optional)

1. Pick out a top body color and a bottom color.
2. Trace the top stencil onto your top piece of paper and the bottom stencil on your bottom piece of paper.
3. Cut out both parts (you can also cut out extra fins).
4. Draw or glue your eye and gills.
5. Lay clothes pin on its side so you can see the spring. Glue the top of the shark to the top side of the clothes pin and the bottom of the shark to the bottom side of the clothes (check out the picture for where to glue).
6. Optional: cut out a little fishy friend to hang out with your shark!

# STENCILS:

**SEND US A PICTURE OF YOUR  
SHARKY FRIENDS TO BE  
FEATURED ON OUR WEBSITE  
AND SOCIAL MEDIA!**
